Each enterprise is counted where it is registered for Revenue purposes. All employees are included in the county where the 'head office' of the business is registered, even if many work elsewhere.

* Business Demography data provides a figure for 'All Counties' which here is called State. This excludes enterprises whose location is classified as 'Unknown'.

[1] 'Total Enterprises' includes all economic sectors except Agriculture, Forestry & Fishing, Public Administration & Defence, Households as Employers and Extraterritorial Organisations (that is NACE Rev 2 sectors B to N(-642) and P-S).

[2] This data only refers to 'Business Economy' sectors which is all economic sectors except Agriculture, Forestry & Fishing, Public Administration & Defence, Households as Employers, Extraterritorial Organisations, Education, Human Health & Social Work, Arts, Entertainment & Recreation and Other Services (that is NACE Rev 2 sectors B to N(-642)).
